

2026 Camels, Campfires & Circus Tagalong – 28 July to 2 September 2026

Update 1 February 2026

Members who have registered for the Camels, Campfires & Circus Tagalong have been notified of a significant change to the original itinerary. Feedback to this change has been overwhelmingly positive. The trip now features a stopover in Moura to coincide with the Coal & Country Festival. An updated itinerary reflecting these changes has been uploaded to the website. Communication has been established with the Tara Festival Committee, who are in the process of finalising the pricing and camping arrangements. The committee has given assurances that obtaining tickets for the event will be much simpler than in 2024.

The registration deadline for this tagalong has been extended to 31 March 2026 to allow for the possibility of two additional rigs joining this adventurous group.

Updated itinerary

In Box, there is the following file:
